*Network News replaces the MACA Report on Professional Alliance meeting agendas. MACA believes one way we can improve relationships and partnerships is to hear from you! We want Network News to be an interactive sharing opportunity where you as valued network members will come prepared to share with the group your success stories, anything new, exciting, and/or innovative that is happening in your program or at your agency (please bring any handouts, brochures, newspaper articles, letters of appreciation, and/or any other documents you want to share). During this time MACA staff will also share information that we are aware of either from the MACA office or from the network.

There have been no rooms reserved for this meeting. However, the following hotels will honor the following rates per night if you tell them you are attending a MACA meeting:
