

CAPS Project Manager

Missouri Community Action Network is seeking a project/program manager for our Community Action Poverty Simulation (CAPS) Kit. Candidates must have a desire to make a difference helping people and changing lives by supporting Missouri's Community Action Agencies. The CAPS Project Manager, in a team-oriented environment, is responsible for all aspects of Missouri's Community Action Poverty Simulation (CAPS) Kit project. For full details about this experiential simulation, please visit www.PovertySimulation.org. Specific duties include presenting, facilitating, training, and conducting Poverty Simulations across the state and around the country. This position is located in Jefferson City, and involves up to 25% travel time. Additionally, the CAPS Manager will conduct research on the ongoing use, effectiveness, and potential enhancements to improve the impact of the simulation. Bachelor's Degree in a human services or related field and one year of experience training or facilitating in a human service organization or outreach role preferred. A combination of additional experience, education and certifications may be considered. We offer a competitive salary, excellent benefits package, and a rewarding work environment. Complete the application at www.communityaction.org/our-team and submit along with your resume via email to info@communityaction.org. Positions open until filled. Successful candidates will be submitted thru E-Verify. EOE
