^{**}Network News replaces the MACA Report on Professional Alliance meeting agendas. Missouri CAN believes one way we can improve relationships and partnerships is to hear from you! We want Network News to be an interactive sharing opportunity where you as valued network members will come prepared to share with the group your success stories, anything new, exciting, and/or innovative that is happening in your program or at your agency (please bring any handouts, brochures, newspaper articles, letters of appreciation, and/or any other documents you want to share). During this time Missouri CAN staff will also share information that we are aware of either from the Missouri CAN office or from the network.

If you have any questions please contact Becky King at the Missouri CAN Office at 573-634-2969 or at bking@communityaction.org

Missouri CAN Mission: To advocate for low-income Missourians and strengthen the Community Action Network
